Kommentare:

A = geeignet für Schulkinder

Converse classes:

School children furthering their language ability. These classes are for 1 / 2 hour(s) only "Self Expressions".

B = geeignet für Kleinkinder

All other classes consist either of 4 hours or afternoon for 2 / 3 hours. Whichever you select. Your child will be taking part in singing, dancing, crafts and roll play from various story elements.

What can only be viewed as lots of fun for all taking part.
